EDUCATION

The Ohio State University

Columbus, OH

Bachelor of Science in Mechanical Engineering

May 2029

- GPA: 3.86 | Dean's List: Spring 2026 | Minors: Mathematics, Robotics
- Formula Buckeye Member | ASME Member
- Relevant Coursework: Physics, Linear Algebra, Differential Equations, Statistics, CAD

University of Cincinnati

Cincinnati, OH

Mechanical Engineering

Fall 2025

- GPA: 3.92 | Dean's List: Fall 2025
- Cincinnati Century Scholar | Students in STEM Scholarship | Clair Hulley Scholarship

ENGINEERING PROJECTS

V8 Engine Internal Combustion Design

Jan 2026 - Mar 2026

Personal Project | SolidWorks, Onshape

- Designed and assembled a multi-component V8 engine model in SolidWorks and Onshape using parametric CAD and assembly constraints.
- Validated motion and interaction of moving components throughout the assembly to evaluate mechanical behavior and component relationships.
- Troubleshoot geometric interference and iterated geometry to improve fit, clearance, and mechanical interaction.

Water Pump Design & Fabrication

Sep 2025

Course Project | Onshape

- Designed a CAD-based mechanical system to transport water vertically and horizontally using an ox-powered bucket-and-gear conveyor mechanism.
- Modeled and integrated gears, shafts, buckets, and support structures into the complete mechanical assembly.

EXPERIENCE

Rookie Sports Club

Mayfield, OH

Coach

July 2026 – Aug 2026

- Lead structured training sessions for groups of 20-30 youth athletes, emphasizing fundamental skills, coordination, and teamwork.
- Adapt coaching methods across age groups to maintain engagement and support skill development at varying levels.
- Manage group dynamics and maintain a safe, organized environment during high-energy training activities.

Jimmy John's

Mayfield, OH

Crew Member

May 2023 - Aug 2026

- Operated in a high-throughput environment serving 200+ customers per shift while optimizing task sequencing and time management.
- Collaborated with teams of 1-5 to maintain quality, safety, and efficiency standards during peak operations.

Mayfield Recreational/Travel Soccer

Mayfield, OH

Soccer Coach / Referee

Jan 2023 - Mar 2023

- Coached and mentored youth players, teaching technical skills, teamwork, and fundamental game concepts.
- Coordinated competitions among players while exercising leadership, communication, and on-field judgment.

LEADERSHIP & INVOLVEMENT

Men's Volleyball Club

Mayfield, OH

Co-Founder

Aug 2024 - Jun 2025

- Co-founded the team with the athletic director and coordinated member recruitment, involvement, and team culture.

Project Smile

Belize City, Belize

Volunteer

Feb 2020, Feb 2023

- Contributed approximately 30 hours of hands-on repairs to chairs, stairs, desks, tables, and doors and approximately 5 hours assisting with dental work to improve local children's facilities.

TECHNICAL SKILLS

CAD: SolidWorks, Onshape | **Programming:** Python, JavaScript | **Tools:** Microsoft Excel

Engineering: Mechanical Systems Design, Parametric Modeling, Mechanical Assemblies, Motion Validation, Process Optimization, Project Management

Additional: Problem-Solving, Data Interpretation, Quantitative Reasoning, Team Collaboration, Coaching & Mentoring
